MonBon Hydrating Gel

**Description:** Want youthful looking skin? Look no further! The MonBon hydrating gel is an effective, back-to-basics anti-aging treatment option for women and men of all skin types. The serum, which includes peptide gel and hyaluronic acid serves as a moisture enhancer and reduces the appearance of fine lines and wrinkles and is fragrance and paraben-free. It may be used on all skin types including sensitive, acne prone and post-treatment skin, and is most effective when used morning and night in conjunction with a moisturizer.
